SUBJECT : NSSD 1-82, Part III, Section E

Other changes involve minor rewording, rearrangement, upgrading to Top Secret (because NSSD's are "top secret business") and, apparently most important, smaller margins and a different type font to allow a one-page summary and a total section length of not more than 10 pages.

2. No further IRG's are contemplated. A package to prepare the DCI for the Tuesday NSC meeting will be sent to the Executive Secretary this afternoon.
